

PAREF Group strengthens its European organization with the appointment of Hanno Schrecker as Managing Director for Germany

PAREF Group announces the appointment of Hanno Schrecker as Managing Director of its German entity based in Frankfurt. This new position is in line with the Group's strong development momentum on a European level and the opening of an office in Frankfurt in 2021 - after those of Zurich and Milan.

Hanno Schrecker brings more than 30 years of experience in the real estate sector, both in Germany and on an international level. He reports directly to Antoine CASTRO - Chairman and CEO of PAREF Group.

*"We are very pleased to strengthen our European organization and our local footprint in Germany with the appointment of Hanno Schrecker. Germany is a key market for the PAREF Group, as we are heavily invested there - notably through our SCPI Novapierre Allemagne 1 & 2 - and we manage several assets in this geography, including "The Trade", an office asset located in Frankfurt, which is scheduled for delivery in 2025. Hanno's leadership and knowledge of the German market will be a great asset for PAREF. He will help reinforce our relations with key stakeholders and accelerate our development in Germany", asserts **Antoine Castro**, Chairman & CEO of PAREF Group.*

Biography

Prior to joining PAREF Group, Hanno Schrecker was Head of Aoakore , a private equity / high net worth advisory firm active in the European real estate sector. He previously held several senior management positions within German and international real estate companies, including CORESTATE Capital Advisors GmbH (as Managing Director and Head of Projects & Development Europe), DIC Onsite GmbH (as Managing Director), and Morgan Stanley Bank AG (as Executive Director in the European Real Estate Team (MSREF)).

Hanno holds a degree in Technology and Management of the Construction and Plant Engineering Industry of the University Witten/Herdecke and a Master's degree in Civil Engineering from the Technical University of Darmstadt (Hessen). He is a Chartered Surveyor (RICS) and member of several professional associations in Germany.
